FORM 80 – AFFIDAVIT
Federal Court Rules 1998, Rule 80

01

Court File No. T-1804-10

FEDERAL COURT

BETWEEN:

ANGEL SUE LARKMAN

Applicant

and

THE ATTORNEY GENERAL OF CANADA

Respondent

AFFIDAVIT OF GARY PENNER

I, Gary Penner, lawyer, of the City of Toronto, SWEAR THAT:

1. I am employed as General Counsel with Aboriginal Law Section of the Ontario Regional Office of the Department of Justice, which is representing the defendant, the Attorney General of Canada ("Canada"), and as such have knowledge of this matter.

2. I have reviewed the documents produced herein and as such, I have knowledge of the matters to which I hereinafter depose, except where knowledge is stated to be based on information and belief and, in such cases, I have stated the source of that information and I believe that information to be true.

Evidence Before the Decision Maker

3. The decision under review is an order-in-council, P.C.4582, dated December 4, 1952, rendered by the Privy Council, enfranchising Laura Batisse[1]. Due to the passage of nearly 60 years, there is no longer a record kept by the Privy Council of the material before the decision maker at the time of the decision. I am informed by John Vaissi-Nagy, counsel for the Privy Council Office, and I truly believe, that the only document still kept by the Privy Council is a copy of the decision itself, OIC P.C.4582 (included as Exhibit "R" to the Affidavit of Angel Larkman).

4. In the absence of a record from the Privy Council, it may be assumed that the following documents attached to the Affidavit of the Applicant were relevant for consideration by the decision maker:

- Letter from Laura Batisse to J. Marlow, dated July 14, 1952 requesting steps be taken to be released from treaty (Exhibit "F" to the Affidavit of Angel Larkman);
- Letter from J.A. Marleau to Laura Batisse, dated July 18, 1952 regarding request for enfranchisement (Exhibit "G" to the Affidavit of Angel Larkman);
- Letter from J.A. Marleau, dated July 28, 1952 to Indian Affairs, Ottawa stating his opinion that the criteria for enfranchisement has been met (Exhibit "H" to the Affidavit of Angel Larkman);
- Letter from Laura Batisse to J. Marleau, dated August 16, 1952 inquiring as to the status of her request for enfranchisement (Exhibit "I" to the Affidavit of Angel Larkman);

[1] Laura Batisse married in 1964, assuming the name "Laura Flood." For ease of reference however, she will be referred to as Laura Batisse, except where an affidavit in the name of Laura Flood is referred to.

- Letter from J.A. Marleau to Laura Batisse, dated August 19, 1952 providing an update as to the status of her request for enfranchisement (Exhibit "J" to the Affidavit of Angel Larkman);
- Memorandum by F.O.E. Gilroy, Trusts & Annuities Division, dated August 29, 1952 providing the amount of annuity Laura Batisse would be entitled to upon enfranchisement (Exhibit "K" to the Affidavit of Angel Larkman);
- Letter from A.G. Leslie to J.A. Marleau, dated September 30, 1952 enclosing an application form to be completed in connection with the enfranchisement of Laura Batisse (Exhibit "L" to the Affidavit of Angel Larkman);
- Letter from J.A. Marleau to Laura Batisse, dated October 2, 1952 forwarding the application form for enfranchisement for completion (Exhibit "M" to the Affidavit of Angel Larkman);
- Application for Enfranchisement, dated October 10, 1952 signed by Laura Batisse and certified by J.A. Marleau (Exhibit "N" to the Affidavit of Angel Larkman);
- Letter from J.A. Marleau to Laura Batisse, dated October 18, 1952 acknowledging receipt of Miss Batisse's application for enfranchisement, explaining her limited right to a share of timber rights, and asking if she still wants to proceed before forwarding the application to the Department (Exhibit "O" to the Affidavit of Angel Larkman);
- Letter from Laura Batisse to J.A. Marleau, dated October 31, 1952 confirming that she wants her application for enfranchisement forwarded to the Department as soon as possible regardless of her possible loss of her right to timber rights (Exhibit "P" to the Affidavit of Angel Larkman);
- Letter from J.A. Marleau, dated November 5, 1952 forwarding Miss Batisse's application for enfranchisement to Indian Affairs (Exhibit "Q" to the Affidavit of Angel Larkman).

5. Documents created after the decision of the Privy Council on December 4, 1952, cannot be said to have been considered by them in reaching their decision. In particular, documents created in the course of proceedings before the Registrar of Indian Affairs, and the court proceedings that ensued between 1987 and 2009 have not been referred to in this affidavit

on the basis that they are irrelevant to an application for judicial review of the decision of the Privy Council in 1952

Extrinsic Evidence

6. The Applicant relies principally upon the affidavit evidence of Laura Batisse, who is now deceased. As well, she has offered other extrinsic evidence in her affidavit pertaining to the circumstances of Laura Batisse's enfranchisement, among other matters. The evidence offered in support of the Application is addressed below:

Reliability of Laura Batisse's Affidavits

(a) Chief of the Matachewan First Nation in 1952

7. In her Affidavits, Laura Batisse, stated that she was asked by the Chief of the Matachewan Band, specifically identified by Ms. Batisse as Alfred Batisse, to sign what turned out to be an Application for Enfranchisement in December of 1952. Ms. Batisse goes on to state that at that time she was not able to read or write, so had no idea what the documents were that the Chief asked her to sign, and if she had known what enfranchisement was, or what its consequences were, she never would have signed.

8. However, I am informed by Linda McLenachan, of the Office of the Indian Registrar, and I truly believe that a search conducted by herself of

the Indian Record for the Matachewan First Nation produced only one "Alfred Batisse," born 1936. This means he would have been 16 years of age in 1952, when he is alleged to have been Chief of the Matachewan Band. Attached as Exhibit "A" to this Affidavit is a copy of the Registered Indian Record of Alfred Batisse.

9. On the other hand, there is documentary evidence that the Chief of the Matachewan Band in 1952 was not Alfred Batisse, but George Batisse. In a memo dated June 23, 1952, from J.A. Marleau, Superintendent of the Sturgeon Falls Indian Agency, to F. Matters, Regional Supervisor, it is stated that on June 14, 1952, George Batisse was elected chief by acclamation. A copy of this memo, obtained from Library and Archives Canada, is attached as Exhibit "B" to this Affidavit.

10. I am informed by Linda McLenachan, of the Office of the Indian Registrar, and I truly believe that a search conducted by herself of the Indian Record produced only one adult George Batisse of the Matachewan Band within the relevant time frame, born on May 13, 1922 and passed away on January 8, 2007. Attached as Exhibit "C" to this Affidavit is a copy of the Indian Registry Record for George Batisse (1922-2007).

11. George Batisse was the brother of Laura Batisse. The Indian Registry Record for Harry Batisse, Laura Batisse's father, lists both George

and Laura as children [2] Correspondingly George Batisse's Indian Registry Record, lists his parents as Harry and Annie Batisse. See: Exhibit "G" to the Affidavit of Laura Mary Flood, dated April 28, 1998, itself attached as Exhibit "E" of the Affidavit of Angel Larkman, pages 39-41 of the Supporting Affidavits and Documentary Exhibits of the Applicant.

12. In none of her affidavits does Laura Batisse identify the Chief who asked her to sign the Enfranchisement Application as her own brother.

(b) Indian Agent J.A. Marleau

13. The allegations in the Notice of Application pertain in part to the alleged actions of the Indian Superintendent of the Nipissing Agency, (responsible for the Matachewan First Nation) in 1952, Mr. J.A. Marleau. I am informed by Magali Bouffard, Case Research Officer, with Indian and Northern Affairs Canada (INAC), and I truly believe that research has been conducted by James Wells, former public servant of the INAC Ontario Regional Office in Toronto, that indicates that Joseph Albert Marleau was appointed on May 28, 1937, as Indian Superintendent for the Nipissing Agency, and retired on July 31, 1953. Attached as Exhibit "D" to this Affidavit is a copy of the relevant two pages from a report by James Wells, entitled

[2] There appears to be a discrepancy in the birth date of Laura Batisse. The Registered Indian Record of Harry Batisse and the Treaty Paylists indicate Ms. Batisse's date of birth to be February 1, 1926; however, the Affidavits of Laura Batisse Flood state her birth date is March 1, 1926. In the same affidavits, however, she acknowledges that she is the child of Harry and Anne Batisse.

"Listing of Indian Agents and Superintendents – Ontario Region." Given the dates of his appointment and retirement, it is assumed Mr. Marleau is deceased or otherwise unavailable to provide evidence in this application.

(c) Treaty Paylists for the Matachewan First Nation

14. It is alleged by the Applicant that in a response to a request for information in support of Laura Batisse's application for enfranchisement (Exhibit "G" to the Affidavit of Angel Larkman), the response incorrectly states that Laura Batisse had been living apart from the reserve for 13 years. In the Affidavit of Laura Mary Flood, dated April 22, 1998, at paragraph 5, Laura Batisse stated that she only moved off the Reserve when she was approximately 19 years old (which would have been 1945-1946). She asserts that this was confirmed by the "Matachewan Treaty Paylists." See: page 24 of the Supporting Affidavits and Documentary Exhibits of the Applicant.

15. In accordance with the terms of Treaty 9, also called the James Bay Treaty, each member of the Matachewan First Nation was and is entitled to receive annuities of $4 per year. Attached as Exhibit "E" to this Affidavit is a copy of Treaty 9. As such, a paylist is maintained by the Department of persons entitled to receive these annuities. Pursuant to the terms of the Treaty, the annuities are paid to the head of each family for all of the family members. Thus the head received the money for all children under the age of 21. I have been advised by Pat Bertrand, Head of the Genealogical and

Archival Research Unit of Indian and Northern Affairs Canada, and I truly believe that while the paylists state where the payments were made (on the Matachewan Reserve) and to whom, they do not provide any evidence of where any of the members are residing at the time of payment. I have been further advised by Pat Bertrand and I truly believe that being paid on the reserve does not necessarily mean one is residing on the reserve and that annuities for minor children are paid to the head of the family, regardless of whether those minor children are living with that person.

16. This can be seen by reviewing the paylists themselves. I have been provided with copies of the Treaty Paylists for the Matachewan Band for the years between 1938 and 1954, obtained from Library and Archives Canada, as follows:

- Attached as Exhibit "F" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1938. Laura Batisse does not appear but her father Harry Batisse (No.32) is stated to have a family of 5 boys and 4 girls (under "Number in Family"). Harry received his annuity himself.
- Attached as Exhibit "G" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1939. Laura Batisse does not appear but her father Harry Batisse (No.32) is stated to have a family of 5 boys and 4 girls. Harry received his annuity himself.
- Attached as Exhibit "H" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1940. Laura Batisse does not appear but her father Harry Batisse (No.32) is stated to have a family of 5 boys and 4 girls. Harry received his annuity himself.
- Attached as Exhibit "I" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1941. Laura Batisse does not appear but Harry Batisse is stated to have a family of 6 boys and 4 girls Harry received his annuity himself.

- Attached as Exhibit "J" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1942. Laura Batisse does not appear but Harry Batisse is stated to have a family of 6 boys and 4 girls. Harry received his annuity himself.
- Attached as Exhibit "K" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1943. Laura Batisse does not appear but Harry Batisse is stated to have a family of 6 boys and 4 girls. Harry received his annuity himself.
- Attached as Exhibit "L" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1944. Laura Batisse does not appear, but her father Harry Batisse is stated to have a family of 4 boys and 4 girls. Harry received his annuity himself.
- Attached as Exhibit "M" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1945. Laura Batisse does not appear, but her father Harry Batisse is stated to have a family of 4 boys and 4 girls. Harry's annuity was received by his son, George.
- Attached as Exhibit "N" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1946. Laura Batisse does not appear, but her father Harry Batisse is stated to have a family of 3 boys and 4 girls (a boy having died). Harry's annuity was received by George.
- Attached as Exhibit "O" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1947. Children are listed under their parents by name for the first time. Laura Batisse appears both under her father Harry Batisse at No.32 (but not counted toward his total) and separately at No. 67. Although Harry's annuity was received by George, there is a note indicating that Laura received her annuity herself. As well a note indicates that Laura was transferred from No.32 "of age."
- Attached as Exhibit "P" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1948. Laura Batisse appears both under her father Harry Batisse at No.32 (but not counted toward his total) and separately at No. 67. Although Harry's annuity was received by George, there is a note indicating that Laura received her annuity herself.
- Attached as Exhibit "Q" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1949. Laura Batisse appears at Band No. 67. Both George's and Laura's annuities were received by Larry Batisse.

- Attached as Exhibit "R" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1950. Laura Batisse appears at Band No. 67, with a note that her annuity was received by Larry Batisse.
- Attached as Exhibit "S" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1951. Laura Batisse appears at Band No. 67, with a note that her annuity was received by George Batisse.
- Attached as Exhibit "T" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1952. Laura Batisse appears at Band No. 67, with a note that her annuity was received by George Batisse. There is also a handwritten note that indicates she was enfranchised
- Attached as Exhibit "U" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1953. Laura Batisse appears at Band No. 67, but no payment is entered and a notation indicates that she was enfranchised in December 1952.
- Attached as Exhibit "V" to this Affidavit is a copy of the Treaty Paylist for Matachewan for 1954. Children are no longer listed under their parents. There is no entry for No.67 (Laura Batisse).

17. Between 1947 and 1953 the paylists confirm that the only member of the band named Alfred Batisse was born in 1936. He does not appear at his own number during these years (being younger that 21), but instead appears under the entry for his father, Tonisse Batisse (No.33).

18. Similarly, the treaty paylists confirm that there is only one adult George Batisse (No.58), who is the son of Harry Batisse (No.32), as indicated by his transfer to his own number in 1944 (attached as Exhibit "L" to this Affidavit). George's son, also named George, is born in 1952, as indicated by the 1953 paylist (attached as Exhibit "U" to this Affidavit).

19. Laura Batisse is the daughter of Harry Batisse, as indicated by her own transfer noted in 1947 and 1948 (No.67). As such the family relationship between George Batisse and Laura Batisse is further confirmed.

(d) Laura Batisse's Children

20. The Applicant also alleges that an error appears on the application for enfranchisement (Exhibit N to the Affidavit of Angel Larkman) that demonstrates it was not prepared by Laura Batisse. Under the heading of "My wife and minor, unmarried children consists of the following persons, namely," the subheadings "Sons" and "Daughters" are filled in with the response "None."

21. It is not disputed that as of 1952, Laura Batisse had two children: Clarence Lorne Flood, born 1946; Lorne Davidson Flood, born 1949. A further child, Laura Jean Flood, was born later in 1952. I am informed by Magali Bouffard, Case Research Officer of Indian and Northern Affairs Canada, and I do believe, that these three children are recorded as being the children of Wycliffe Davidson Flood.

22. Laura Batisse married Wycliffe Davidson Flood in 1964. Attached as Exhibit "W" to this Affidavit is a copy of the Marriage Certificate of Laura Batisse and Wycliffe Davidson Flood, dated June 20, 1964, obtained from the Certified Record of the Registrar produced in the statutory appeal by

the Applicant. Prior to this marriage, as children of an unmarried female registered Indian, they would have been entitled to registration under the *Indian Act*. I am also informed by Ms. Bouffard, and I do believe, that two of these children were registered as Indians under the *Indian Act* in 1989 and the third child was registered in 1990.

23. In addition to registration, the children would have been entitled to annuities pursuant to Treaty 9. However, these children do not appear on the Treaty paylists for 1947-1952.

24. As such, there appear to be no explanation in the documentary record why the Application for Enfranchisement does not list Laura Batisse's two sons.

(e) Timber Surrender

25. The Applicant also alleges that Laura Batisse did not receive her share of funds, but did receive $500 for "stumpage" at approximately the same time. Laura Batisse did not explain what she meant by the term "stumpage."

26. There is a reference in the letters between Marleau and Laura Batisse to "timber." In the Application for Enfranchisement (Exhibit "N" to the Affidavit of Angel Larkman), a typed note states "I believe that there should be some interest due me from the Timber rights to the Matachewan Reserve

which have been sold." Marleau's response, dated October 18, 1952 (Exhibit "O" to the Affidavit to Angel Larkman) was:

> ...I wish to inform you that although the timber rights have been sold on the Matachewan Reserve, collection on dues have not yet been paid.
>
> Therefore, if the Band has not been credited at the time of your enfranchisement, you will not receive any timber royalty as you will receive proportionately to what is in band fund at the time of enfranchisement.
>
> If you wish to be enfranchised under these circumstances, kindly advise and we will forward the application to the Department.

27. The next letter from Laura Batisse, dated October 31, 1952 (Exhibit "P" to the Affidavit of Angel Larkman) states "I have noted your reply to my notation regarding the timber rights that have been sold, however, I would like you to send my application form to the Department as soon as possible in order that I can be enfranchised." In her Affidavit dated April 22, 1998 (Exhibit "E" to the Affidavit of Angel Larkman), Laura Batisse states that she "certainly did not have any understanding... of the issue of timber rights," or the October 31, 1952, itself, although she admits that it bears her signature.

28 By way of explanation, on September 28, 1950, the Matachewan Band surrendered the timber on 10,276 acres of reserve land. Attached as Exhibit "X" to this Affidavit is a copy of a document, obtained from Library and Archives Canada, entitled "Surrender of Timber," dated

September 28, 1950, signed by Indian Agent J.A. Marleau and Chief George Batisse.

29. Similarly, attached as Exhibit "Y" to this Affidavit is a copy of a letter, obtained from Library and Archives Canada, dated November 21, 1952, from the Acting Superintendent of Reserves and Trusts to "George Batisse, Esq., Chief, Matachewan Indian Band," replying to Chief Batisse's letter of November 16 (not attached), stating that a timber license was granted to Elk Lake Lumber Company Limited on February 28, 1951, and was renewed for the current year. The letter further states that cutting had been undertaken this year and "next year payment of dues will accrue due for the timber presently being cut. All dues received will go into the fund of the Indian Band."

30. I have also been provided with documents, obtained from Library and Archives Canada, pertaining to the distribution of moneys from timber royalties to members of the Matachewan Band. Attached as Exhibit "Z" to this Affidavit are paylists for the Matachewan Band between 1953 and 1962 in relation to these moneys. It may be observed that the following individual payments were made:

- On October 7, 1953, payments in the amount of $18 per member were made;
- On December 22, 1953, payments in the amount of $18 per member were made;
- On September 4, 1954, payments in the amount of $25 per member were made;

- On July 19, 1955, payments in the amount of $25 per member were made;
- On September 18, 1956, payments in the amount of $15 per member were made;
- On August 26, 1957, payments in the amount of $15 per member were made;
- On December 19, 1958, payments in the amount of $10 per member were made;
- On May 10, 1960, payments in the amount of $10 per member were made;
- On December 20, 1961, payments in the amount of $10 per member were made; and
- On December 18, 1962, payments in the amount of $10 per member were made.

31. None of these payments approximates the $500 said to be received by Laura Batisse, nor does Laura Batisse (No.67) appear in the paylists as having received any of these payments.

(f) Evidence of Payment of Band Funds to Laura Batisse

32. At para.34 of her Affidavit, the Applicant states that there is "no record of a cheque made out to Laura Batisse in the records provided by the Respondent." She further alleges at para.34 that the document attached as Exhibit "W" to her Affidavit is a "record of payment . . . made out to J.A. Marleau." The suggestion appears to be that the cheque was made out in the name of J.A. Marleau.

33. However, the document in question is not a cheque; rather it refers specifically to the "enclosed cheque B22-20482." The name "J.A.

Marleau" appears only in the address box, suggesting that this was merely the address for delivery. The document further states that it is for "shares of band funds and annuity to Miss Laura Batisse Matachewan," pursuant to a statement dated December 12 [1952]. The document does not indicate in whose name the cheque was made out.

34. To properly evaluate the significance of this document, it must be examined in context. Firstly, a memorandum to J.A. Marleau from the Indian Affairs Branch, dated December 12, 1952 (attached as Exhibit "T" to the Affidavit of Angel Larkman) states "Under separate cover, in your care, a cheque in the amount of $82.23 is going forward to Laura Batisse. This represents shares of band funds and annuity payable to Miss Batisse. The cheque together with the enfranchisement card should be forwarded to Miss Batisse." From this statement, it appears the intention was that the cheque was to be in the name of "Laura Batisse." This is consistent with the statement that the "cheque" should be forwarded to her.

35. There is also a document entitled "Requisition for Cheque," dated December 12, 1952, and stamped "Audited for Payment, Dec.17" (attached as Exhibit "U" to the Affidavit of Angel Larkman). The requisition requests a cheque "in the favour of" Laura Batisse, "c/o J.A. Marleau." This document is also consistent with the conclusion that a cheque was requested in the name of Laura Batisse.

36. Returning to the document attached as Exhibit "W" to the Affidavit of Angel Larkman that the Applicant suggests notes a payment to J.A. Marleau, when considered in relation to Exhibit "U" to the Affidavit of Angel Larkman, it appears that the statement dated December 12 referred to therein is a reference to the Requisition for Cheque, which asked for a cheque in the name of Laura Batisse, rather than that the "enclosed cheque" was in the name of J.A. Marleau.

37. The documentary record also includes a letter from J.A. Marleau to Laura Batisse, dated December 22, 1952 (attached as Exhibit "V" to the Affidavit of Angel Larkman). This letter states that it is enclosing a "cheque in your favour in the amount of $82.23," as well as the certificate of enfranchisement. Marleau requests that the latter document be signed, dated, and returned. It appears that the letter was received as Laura Batisse admitted to signing the certificate, which bears her signature as well as that of the Minister (Exhibit "Q" to the Affidavit of Laura Mary Flood, dated April 28, 1998, which is in turn attached to the Affidavit of Angel Larkman, dated February 24, 2011, at Exhibit "E").

(g) Further Credibility Issues

38. Laura Batisse alleged that she was unaware that she had been enfranchised at the time, but no evidence has been provided when she became aware of the enfranchisement. It appears that she kept an

"Enfranchisement Card" in her possession since 1953. I am advised by Ms. Bouffard, Case Research Officer, Indian and Northern Affairs Canada, and I truly believe that the Certificate of Registration or "Enfranchisement Card" (Exhibit "Q" to the Affidavit of Laura Mary Flood, dated April 28, 1998, which is in turn attached to the Affidavit of Angel Larkman, dated February 24, 2011, at Exhibit "E"), was not contained within the enfranchisement file of Laura Batisse, File 8043-86, but rather was supplied to the Registrar by counsel for the Applicant with the Affidavit of Laura Mary Flood, dated April 28, 1998.

39. Although in 1996, Laura Batisse alleged that she had become enfranchised without her knowledge, there is no evidence before the Court that she ever made this allegation prior to that time. Rather, in her application to be re-registered after the amendments to the Indian Act in 1985, Ms. Batisse stated simply under "Grounds for Registration," "Enfranchised Dec. 1952." Attached as Exhibit "AA" to this Affidavit is a copy of the application for registration, in the name of Laura Flood, dated September 12, 1985, contained in the Certified Record of the Registrar produced in the statutory appeal by the Applicant.

40. I make this affidavit in response to the application for judicial review and for no other or improper purpose.

Attached to this report will be found a copy of the treaty with signatures as completed, and schedule of reserves.

The James Bay Treaty—Treaty No. 9

ARTICLES OF A TREATY made and concluded at the several dates mentioned therein, in the year of Our Lord one thousand and nine hundred and five, between His Most Gracious Majesty the King of Great Britain and Ireland, by His Commissioners, Duncan Campbell Scott, of Ottawa, Ontario, Esquire, and Samuel Stewart, of Ottawa, Ontario, Esquire; and Daniel George MacMartin, of Perth, Ontario, Esquire, representing the province of Ontario, of the one part; and the Ojibeway, Cree and other Indians, inhabitants of the territory within the limits hereinafter defined and described, by their chiefs, and headmen hereunto subscribed, of the other part:—

Whereas, the Indians inhabiting the territory hereinafter defined have been convened to meet a commission representing His Majesty's government of the Dominion of Canada at certain places in the said territory in this present year of 1905, to deliberate upon certain matters of interest to His Most Gracious Majesty, of the one part, and the said Indians of the other.

And, whereas, the said Indians have been notified and informed by His Majesty's said commission that it is His desire to open for settlement, immigration, trade, travel, mining, lumbering, and such other purposes as to His Majesty may seem meet, a tract of country, bounded and described as hereinafter mentioned, and to obtain the consent thereto of His Indian subjects inhabiting the said tract, and to make a treaty and arrange with them, so that there may be peace and good-will between them and His Majesty's other subjects, and that His Indian people may know and be assured of what allowances they are to count upon and receive from His Majesty's bounty and benevolence.

And whereas, the Indians of the said tract, duly convened in council at the respective points named hereunder, and being requested by His Majesty's commissioners to name certain chiefs and headmen who should be authorised on their behalf to conduct such negotiations and sign any treaty to be found thereon, and to become responsible to His Majesty for the faithful performance by their respective bands of such obligations as shall be assumed by them, the said Indians have therefore acknowledged for that purpose the several chiefs and headmen who have subscribed hereto.

And whereas, the said commissioners have proceeded to negotiate a treaty with the Ojibeway, Cree and other Indians, inhabiting the district hereinafter defined and described, and the same has been agreed upon, and concluded by the respective bands at the dates mentioned hereunder, the said Indians do hereby cede, release, surrender and yield up to the government of the Dominion of Canada, for His Majesty the King and His successors for ever, all their rights titles and privileges whatsoever, to the lands included within the following limits, that is to say: That portion or tract of land lying and being in the province of Ontario, bounded on the south by the height of land and the northern

boundaries of the territory ceded by the Robinson-Superior Treaty of 1850, and the Robinson-Huron Treaty of 1850, and bounded on the east and north by the boundaries of the said province of Ontario as defined by law, and on the west by a part of the eastern boundary of the territory ceded by the North-west Angle Treaty No. 3; the said land containing an area of ninety thousand square miles, more or less.

And also, the said Indian rights, titles and privileges whatsoever to all other lands wherever situated in Ontario, Quebec, Manitoba, the District of Keewatin, or in any other portion of the Dominion of Canada.

To have and to hold the same to His Majesty the King and His successors for ever.

And His Majesty the King hereby agrees with the said Indians that they shall have the right to pursue their usual vocations of hunting, trapping and fishing throughout the tract surrendered as heretofore described, subject to such regulations as may from time to time be made by the government of the country, acting under the authority of His Majesty, and saving and excepting such tracts as may be required or taken up from time to time for settlement, mining, lumbering, trading or other purposes.

And His Majesty the King hereby agrees and undertakes to lay aside reserves for each band, the same not to exceed in all one square mile for each family of five, or in that proportion for larger and smaller families; and the location of the said reserves having been arranged between His Majesty's commissioners and the chiefs and headmen, as described in the schedule of reserves hereto attached, the boundaries thereof to be hereafter surveyed and defined, the said reserves when confirmed shall be held and administered by His Majesty for the benefit of the Indians free of all claims, liens, or trusts by Ontario.

Provided, however, that His Majesty reserves the right to deal with any settlers within the bounds of any lands reserved for any band as He may see fit; and also that the aforesaid reserves of land, or any interest therein, may be sold or otherwise disposed of by His Majesty's government for the use and benefit of the said Indians entitled thereto, with their consent first had and obtained; but in no wise shall the said Indians, or any of them, be entitled to sell or otherwise alienate any of the lands allotted to them as reserves.

It is further agreed between His said Majesty and His Indian subjects that such portions of the reserves and lands above indicated as may at any time be required for public works, buildings, railways, or roads of whatsoever nature may be appropriated for that purpose by His Majesty's government of the Dominion of Canada, due compensation being made to the Indians for the value of any improvements thereon, and an equivalent in land, money or other consideration for the area of the reserve so appropriated.

And with a view to show the satisfaction of His Majesty with the behaviour and good conduct of His Indians, and in extinguishment of all their past claims, He hereby, through His commissioners, agrees to make each Indian a present of eight dollars in cash.

His Majesty also agrees that next year, and annually afterwards for ever, He will cause to be paid to the said Indians in cash, at suitable places and dates, of which the said Indians shall be duly notified, four dollars, the same, unless there be some exceptional reason, to be paid only to the heads of families for those belonging thereto.

Further, His Majesty agrees that each chief, after signing the treaty, shall receive a suitable flag and a copy of this treaty to be for the use of his band.

Further, His Majesty agrees to pay such salaries of teachers to instruct the children of said Indians, and also to provide such school buildings and educational equipment as may seem advisable to His Majesty's government of Canada.

And the undersigned Ojibeway, Cree and other chiefs and headmen, on their own behalf and on behalf of all the Indians whom they represent, do hereby solemnly promise and engage to strictly observe this treaty, and also to conduct and behave themselves as good and loyal subjects of His Majesty the King.

They promise and engage that they will, in all respects, obey and abide by the law; that they will maintain peace between each other and between themselves and other tribes of Indians, and between themselves and others of His Majesty's subjects, whether Indians, half-breeds or whites, this year inhabiting and hereafter to inhabit any part of the said ceded territory; and that they will not molest the person or property of any inhabitant of such ceded tract, or of any other district or country, or interfere with or trouble any person passing or travelling through the said tract, or any part thereof, and that they will assist the officers of His Majesty in bringing to justice and punishment any Indian offending against the stipulations of this treaty, or infringing the law in force in the country so ceded.

And it is further understood that this treaty is made and entered into subject to an agreement dated the third day of July, nineteen hundred and five, between the Dominion of Canada and Province of Ontario, which is hereto attached.

In witness whereof, His Majesty's said commissioners and the said chiefs and headmen have hereunto set their hands at the places and times set forth in the year herein first above written.

Agreement Between the Dominion of Canada and the Province of Ontario

THIS AGREEMENT made on the third day of July, in the year of Our Lord, 1905, between

The Honourable Frank Oliver, Superintendent General of Indian Affairs, on behalf of the government of Canada Of the one part:

And

The Honourable Francis Cochrane, Minister of Lands and Mines of the province of Ontario, on behalf of the government of Ontario

On the other part.

Whereas, His Most Gracious Majesty the King of Great Britain and Ireland is about to negotiate a treaty with the Ojibeway and other Indians inhabitants of the territory within the limits hereinafter defined and described by their chiefs and headmen for the purpose of opening for settlement, immigration, trade, travel, mining and lumbering, and for such other purposes as to His Majesty may seem meet, a tract of country bounded and described as hereinafter mentioned, and of obtaining the consent thereto of His Indian subjects inhabiting the said tract, and of arranging with them for the cession of the Indian rights, titles and privileges to be ceded, released, surrendered and yielded up to His

Majesty the King and His successors for ever, so that there may be peace and good-will between them and His Majesty's other subjects, and that His Indian people may know and be assured of what allowances they are to count upon and receive from His Majesty's bounty and benevolence, which said territory may be described and defined as follows, that is to say, all that portion or tract of land lying and being in the province of Ontario, bounded on the south side by the height of land and the northern boundaries of the territory ceded by the Robinson-Superior Treaty of 1850, and the Robinson-Huron Treaty of 1850, and bounded on the east and north by the boundaries of the said province of Ontario as defined by law, and on the west by a part of the eastern boundary of the territory ceded by the Northwest Angle Treaty No. 3; the said land containing an area of ninety thousand square miles, more or less, said treaty to release and surrender also all Indian rights and privileges whatsoever of the said Indians to all or any other lands wherever situated in Ontario, Quebec, Manitoba, or the district of Keewatin, or in any other portion of the Dominion of Canada.

And whereas, by the agreement made the 16th day of April, 1894, entered into between the government of the Dominion of Canada, represented by the Honourable T. Mayne Daly, and the government of the province of Ontario, represented by the Honourable John M. Gibson, in pursuance of the statute of Canada passed in the fifty-fourth and fifty-fifth years of Her Majesty's reign, chaptered five and intituled, "An Act for the settlement of certain questions between the governments of Canada and Ontario respecting Indian lands," and the statute of Ontario passed in the fifty-fourth year of Her Majesty's reign, chaptered three, and entitled, "An Act for the settlement of certain questions between the governments of Canada and Ontario respecting Indian lands," and by the sixth clause of the said agreement it is provided, "That any future treaties with the Indians in respect of territory in Ontario to which they have not before the passing of the said statutes surrendered their claim aforesaid, shall be deemed to require the concurrence of the government of Ontario," and by the said intended treaty it is signified and declared that His Majesty show his satisfaction with the behaviour and good conduct of His Indian subjects, and in extinguishment of all their past claims through His commissioners, will make to each Indian a present of eight dollars in cash, and will also next year and annually afterwards for ever cause to be paid to each of the said Indians in cash, at suitable places and dates, of which the said Indians shall be duly notified, the sum of four dollars, and that unless there be some exceptional reason, such sums will be paid only to heads of families for those belonging thereto.

It is therefore agreed by and between the governments of Canada and of Ontario as aforesaid, as follows:—

That, subject to the provisions contained in the hereinbefore recited agreement of 16th April, 1894, and also the agreement made on 7th July, 1902, by counsel on behalf of the governments of the Dominion and Ontario, intervening parties, upon the appeal to the Judicial Committee of the Privy Council in the suit of the Ontario Mining Company v. Seybold et al. (Ont. S.P., 1904, No. 93), a copy whereof is hereto attached; and the surrender of the Indian title within Ontario to the entire territory herein defined and described, duly obtained,—

The government of the province of Ontario hereby gives consent and upon the following conditions concurs in the terms proposed to be entered into, made and agreed by the said treaty, in so far that the said government of Ontario, on and after the payment to the Indians of the above mentioned present of eight dollars, and thereafter the payment annually of four dollars to each Indian, for ever, as above specified, promises and agrees to pay the said sums to the government of Canada, upon request when and as the same are paid to the Indians,

upon proof, when required, of such payments—such payments to be free from any expenses at the cost of Ontario attendant upon distribution of the said sums of money.

And the government of Ontario, subject to the conditions, aforesaid, further concurs in the setting apart and location of reserves within any part of the said territory, as surrendered or intended to be surrendered, in area not greater than one square mile for each family of five, or in like proportion, at points to be chosen by the commissioners negotiating the said treaty, one of the said commissioners to be appointed by the Lieutenant Governor of Ontario in Council, and the selection of the said reserves to be subject to the approval of the Lieutenant Governor in Council.

And the government of Ontario stipulates no part of the expense of survey and location of the said reserves to be at any time at the cost of the government of Ontario.

And further, that no site suitable for the development of water-power exceeding 500 horse-power shall be included within the boundaries of any reserve.

It is also agreed between the parties hereto that no part of the cost of negotiating the said treaty is to be borne by the province of Ontario.

In witness whereof, these presents have been signed and sealed on behalf of the government of Canada by the Honourable Frank Oliver, Superintendent General of Indian Affairs, and on behalf of the government of Ontario by the Honourable Francis Cochrane, Minister of Lands and Mines.

Signed, sealed and delivered by the Honourable Frank Oliver, in presence of FRANK PEDLEY, and by the Honourable FRANCIS COCHRANE in the presence of GEO. W. YATES.	FRANK OLIVER. F. COCHRANE.

Agreement between counsel on behalf of the Dominion and Ontario, intervening parties upon the appeal to the Judicial Committee of the Privy Council in Ontario Mining Company vs. Seybold et al.

As to all treaty Indian reserves in Ontario (including those in the territory covered by the Northwest Angle Treaty, which are or shall be duly established pursuant to the statutory agreement of one thousand eight hundred and ninety-four), and which have been or shall be duly surrendered by the Indians to sell or lease for their benefit, Ontario agrees to confirm the titles heretofore made by the Dominion, and that the Dominion shall have full power and authority to sell or lease and convey title in fee simple or for any less estate.

The Dominion agrees to hold the proceeds of such lands when or so far as they have been converted into money upon the extinction of the Indian interest therein, subject to such rights of Ontario thereto as may exist by law.

As to the reserves in the territory covered by the Northwest Angle Treaty which may be duly established as aforesaid, Ontario agrees that the precious metals shall be considered to form part of the reserves and may be disposed of by the Dominion for the benefit of the Indians to the same extent and subject to the same undertaking as to the proceeds as heretofore agreed with regard to the lands in such reserves.

The question as to whether other reserves in Ontario include precious metals to depend upon the instruments and circumstances and law affecting each case respectively.

Re: Matachewan Indian Reserve - Timber

Dear Sir:-

Your letter of the 16th of November was received. The Band surrendered the timber, by Surrender No. 1209, dated the 28th of September, 1950. The timber was advertised and disposed of to Kik Pike Lumber Company Limited, to whom a licence dated the 28th of February, 1951, was issued. A copy of that licence is enclosed for your information. This is an annual licence and has been renewed for the current year.

The Company has undertaken cutting this year and next year payment of dues will accrue due for the timber presently being cut. All dues received will go into the fund of the Indian Band.

As you will see from the draft licence, the rates of dues obtained on the sale are well above the minimum prices of $12.00 for pine and $9.00 for spruce and jackpine, which were the minimum prices provided in the surrender.

Yours truly,

Acting Superintendent,
Registrar and Trusts.
